

## Alexandria Gazette.

TUESDAY EVENING, APRIL 17.

## LOCAL MATTERS

For this section warmer, fair weather, followed Wednesday by rain, light to fresh easterly winds, veering to southerly and increasing in force.

**CHARTERS GRANTED.**—It was recently stated in the GAZETTE that Judge Keith had granted a charter of incorporation to The American Telephone Company (consolidated). The charter was on Saturday received at the office of the Secretary of the Commonwealth in Richmond to be recorded. It grants to the incorporators the right to manufacture telephones, telephone supplies, operate telephone lines and exchanges throughout the counties of North and South America; also, to construct and operate electric-light plants throughout said counties, and operate telegraph lines and furnish the electric current for all purposes for which it is useful; also, to purchase and manufacture paper of all kinds and paper-pulp from wood, straw, palm leaf, and other fibrous articles, &c. The capital stock of the company is to be not less than \$7,000,000 nor more than \$20,000,000. The principal office will be in this city, and the executive offices in Washington, D. C., and Caracas, Venezuela. The incorporators are Messrs. George A. Sawyer, M. A. Ballinger, Samuel Norment, Charles A. Maxwell, William E. Clark, James L. Barbour, Horatio Browning, Benjamin Charlton, W. S. Hoge, John G. Ames, C. F. Norment, Samuel W. Peel, J. E. Sawyer, and T. W. Tyler, most of whom are Washingtonians. Judge Keith has recently granted a charter to the Schuler Self-Bracing Wire Fence Company, with Geo. F. Brott, S. A. Peugh, P. P. Little, J. G. Schiller, and C. A. Ewen, incorporators. The object of the company is to manufacture, erect, sell and lease the right to manufacture, sell and erect wire fences, &c. The capital stock is to be not less than \$250,000 nor more than \$1,000,000, divided into shares of \$25 each. The principal office is to be in this city and at such other places as the company may deem advisable. The officers named are, Peter Little, president; J. G. Schiller, vice-president; Albert Wood, secretary, and S. A. Peugh, treasurer, all of Washington. A charter of incorporation has also been granted by Judge Keith to The Adjustable Horse Shoe Company, with J. M. Dowe, president; L. A. Littlefield, vice-president; Schuyler Duryee, secretary, and W. G. Duckett, treasurer, all of Washington. The object of the company is to purchase, acquire and hold patents for the manufacture and sale of horse-shoes, &c. The capital stock is to be \$200,000, divided into shares of \$50 each and the principal office is to be in this city. All of these charters were granted in the Circuit Court of Alexandria county.

**THE MEMORIAL BRIDGE AND MOUNT VERNON AVENUE.**—The Senate Public Buildings and Grounds Committee as stated in the GAZETTE's Washington correspondence discussed yesterday the Memorial Bridge and Mount Vernon Avenue propositions, and decided to hold a special meeting for their further consideration. It was virtually decided to recommend an appropriation for a bridge from Observatory Hill to Arlington, whether a solution of the difficulties connected with the Mount Vernon Avenue project should or not. The *Critic* says:

The opinion was generally expressed that the construction of the bridge should be undertaken by the Government as an essential preliminary to the opening of a memorial avenue either by the action of the Federal and State governments or by private subscriptions or by some plan of joint action. The Mount Vernon Avenue project has been very much complicated, in the opinion of the members of the committee, by the introduction of the question of the claim of the State of Virginia for a refund of the advance made to the Federal Government in 1850 and in the erection of public buildings in Washington. The Senate Committee has been informed that the State of Virginia has turned over its claim to the Mount Vernon Avenue Association and that the avenue project is made to a great extent conditional upon the allowance by Congress of this Virginia claim. The Mount Vernon Avenue Association is pressing this claim for principal and interest from 1850, when the claim was first presented. The interest multiplies the original amount, and as the Virginia and Maryland advances were \$192,000, the claim is no larger as to require mature consideration. The Senate Committee has, within the past few years, passed upon these claims both favorably and adversely. The claims are now before Senator Daniel as a sub-committee and have been favorably reported to the House by its committee. The Senate Committee has decided to grant no further hearings on the Bridge and Avenue bills and to receive only written arguments. The sentiment of the committee is favorable to both propositions, if the practical difficulties can be met. The special meeting will be held next Saturday, or as soon thereafter as Senator Daniel may desire."

**THE FUNERAL OF THE LATE CAPTAIN SYDNEY SMITH**—The funeral took place this morning at ten o'clock from the residence of Mrs. T. L. Buchanan, on Washington street. Services were conducted there and at the grave, in the family lot in Christ Church cemetery, by the Rev. Henderson Suter, rector of that church. There was a large attendance of the relatives and friends of the deceased and the family—among them his brother, Governor Fitzhugh Lee; Capt. John M. and Dan M. Lee, Gen. W. H. F. Lee, Mr. C. F. Lee, Gen. M. D. Corse and others. The late Major was Maj. Arthur Herbert, Capt. R. B. Hoge, Capt. Herbert Bryant, Maj. C. F. Lee, Jr., Henry Dainoff, Edward L. Daingerfield, B. H. Finkle and Jno. G. **CONVICTED.**—Wm. Hunter, colored, was yesterday tried in the County Court of Fairfax on the charge of stealing and slaughtering a cow belonging to Mr. A. W. Harrison. The jury found him guilty and sentenced him to five years' imprisonment in the penitentiary. The particulars of the affair have heretofore been published. The carcass of the cow was found in this city. Chas. Harris, Hunter's companion, was tried at the same term of the court on the same charge and sentenced to four years' imprisonment. He was charged with setting fire to the hay and barn of General Mackall and Mr. Stroms, near Langley was set for to-day.

**ELECTRIC LIGHTS.**—Mr. L. N. Cox and others, who represent the Edison Electric Light Company of Washington, were in the city to-day, at the Braddock House, preparing plans and proposals which they will submit to the City Council for lighting the city with electricity. These proposals will embrace the lighting of the streets, as well as private and public buildings, besides which they also have a plan for installing gas at a cheap rate, for cooking, washing, &c.

Nutt, whose illness has been mentioned, continues in a very precarious condition at the residence of his son-in-law, Mr. Peter Wise. Mrs. L. H. Foster, widow of the late H. N. J. W. Foster, is extremely ill at her home at Marshall, Fauquier county.

**RANGE SELECTED.**—It was stated in Friday's GAZETTE that the party of U. S. artists who passed through this city a few days previous in search of a suitable ground to establish a target range, had found such a place near the Bull Run Mountains. To-day Mr. J. G. Backham, of this city, received a letter from Lieut. Pratt, who had charge of the party in which he states that his party found a suitable range at Centerville, where they may practice in May.

**THE FLATS IMPROVEMENT.**—During the month of March 56,620 cubic yards were excavated and deposited in the work of reclaiming the Potomac flats. There has already been dredged a channel 350 to 550 feet wide between Georgetown and Geisboro Point, and the Washington channel has now a width of 200 to 350 feet. Of the \$12,000,000 cubic yards required to fill the flats to the required height 6,380,000 have been deposited.

**IN BISCOPE'S BEHALF.**—A petition signed by thirteen citizens of Leonardtown was received by Gov. Jackson, of Maryland, yesterday, in behalf of John Benjamin Biscope, colored, sentenced to be hanged on the 27th inst. for the murder of Capt. Dixon. The petition says, that the signers believe Biscope to be weak-minded, and ask that in lieu of the death sentence he be imprisoned for life.
